

FAQS

DRAPERIES

Do you offer custom drapery fabrication and installation?

- Yes, we provide fully custom solutions, including fabrication, hardware, and installation.

Can drapery be both decorative and functional?

- Yes! Drapery can provide light control, acoustics, privacy, and aesthetic enhancement.

Do you work with designer-specified fabrics?

- Yes. We can get material from all major fabric manufacturers and will fabricate draperies using the fabric you specify or owner-furnished fabrics.

Are motorized drapery systems available?

- Yes. We offer manual and motorized drapery tracks and control systems.

How do I know what drapery style is right for my project?

- AEC can help you decide and/or write the correct specification for your project. Contact one of our A&D reps for help at info@aecorp.com.
